How to help...

Become an Ambassador for PCC

Play for FREE as an Ambassador by sharing your own story of why you believe in and appreciate the mission of Perinatal ComfortCare. Most people are not even aware that families experience such tragedy until it happens to them which is why we need Ambassadors who are willing to share.

When you share the mission of this organization with just 40 friends, colleagues, church members, and even your family, Ambassadors will typically raise an average of \$1200 to \$1400 which then waives the golf registration fee.

Perinatal ComfortCare, a perinatal "hospice", is where parents can turn when facing the crisis of a baby that will be still-born.

Testimony:

"Our little Rabecca taught us a lot about life and to cherish every moment and every breath God gives us. Without ever uttering a word her life changed ours forever. We have no regrets."

Julie and Joey, parents to Rabecca

That testimony is why I want you to be an ambassador and reach out to your sphere of influence "in spirit" as one of our sponsors to help this very worthy ministry.

No one should ever have to face such a heart-wrenching journey without caring support and guidance. Others won't have to if you help.

PCC has never charged a fee for their services to the families they have supported. They provide this care because they have a heart for families and bottom line...its just the right thing to do.

Tammy Tate, RNC, MA, CHPN
CEO/Founder

What We Do

Most of you know "hospice" as a place for families to turn to when the remaining days of life are short. Perinatal ComfortCare, a perinatal "hospice" is a place for families to turn to when they receive the devastating news that their unborn baby has a serious, life-limiting medical condition and will likely not survive. Perinatal "hospice" is a new but much needed concept of care for the unborn and for families who have lost hope.

Since 2007, Perinatal ComfortCare has provided that hope to more than 100 families. Our mission is simple: to offer support and guidance that helps ease the families emotional suffering while assisting them to honor and validate the life of their baby, regardless of the length of the baby's life. This journey is truly life changing.

In the words of one mom:
"PCC was extraordinary. What a blessing it would be if more could be touched by the guidance and support that they offer! This is my simple wish. And this simple wish could completely change and enhance the lives of so many suffering families."

~April B., Mom to Charles Patrick

Thank You!

To those who have been loyal to this event, thank you for your continued support.

To those who are new to this event, we hope you will make this a tradition. As you enjoy a beautiful day of golf, know that your participation will affect families for generations to come.
